# Name-A-Seat

As a performing arts venue, our seats are the essence of what we are. In 2004, the Fredericton Playhouse replaced all the seats in the auditorium, used by thousands of patrons for over 30 years. Our new seats were designed especially for concert halls and performing arts centres. The upholstered back and cushioned seat offer ultimate comfort while the hardwood veneer featured on the rear of the seat backs, armrests and the front panel naturally enhance the house acoustics. The new seating has since offered patrons a more comfortable experience while enjoying world-class entertainment.

With thousands of patrons attending performances at The Playhouse every year, it is understandable that the facility show signs of wear. All funds donated though the Name-a-Seat program go directly toward facility improvements and specialized equipment upgrades. Naming a seat in the Playhouse is a lasting way to help rejuvenate, enhance, and beautify Fredericton's premiere performance venue.

Each seat you name will bear an engraved brass plate secured to the arm rest of the chair of your choice (depending on availability) and can be inscribed as you wish.

With a tax-deductible donation of $425, you can Name-a-Seat in honour or memory of a loved one, a new family member, a company, a special friend – or yourself! Dedicate a seat as an individual, a couple or a family; in the name of your children, grandchildren or parents; in the name of your business or service organization.

*In Memory of*
*John Doe*

*ABC Corporation*

This unique commemoration will last the entire lifetime of the seat. But most importantly, it is an ideal way to show your support for the performing arts in our community.
