Please answer the following four questions:

1. Please list the benefits (perceived or direct) that this performance would bring to your students and school:

2. How many students would this performance reach and at what grade level(s)?

3. Are there activities that you would engage in as a result of having this performance at your school? Please be specific (i.e. curriculum enrichment, projects, etc.).

4. Please list any activities you would provide in conjunction with the performance to deepen or enrich the students' experiences (i.e. art, theatre, music etc.).

Other comments are welcome: _____
