arts
are for
everyone

A DISCOUNT AND COMPLIMENTARY TICKET PROGRAM

The Fredericton Playhouse believes that the arts are an integral part of our lives. We are committed to the inclusion and participation of all members of our community.

Walking through the front doors of the Fredericton Playhouse doesn't come easily to everyone. We recognize that many individuals experience barriers such as age, culture, ability, socioeconomic status, social isolation, illness, mental illness and others. The Arts are for Everyone program helps open our doors by offering discount and complimentary tickets to our Spotlight performances.

HOW IT WORKS:

The Arts are for Everyone program partners with community agencies who work on behalf of their clients or residents. We do not offer one-on-one services. When requesting discount or complimentary tickets, please consider the following:

- The Arts are for Everyone is only available for Fredericton Playhouse Spotlight performances.
- Rather than making a general request for tickets, please review our season guide and web site to see if there is a performance that parallels a particular area of interest to your client(s).
- If you are requesting a group of tickets to a performance that enhances or complements a program of your service, please indicate that at the time of the request.
- Consider booking a tour for your clients if they haven't been here before.
- Complimentary vouchers are issued rather than tickets. The vouchers must be redeemed at the box office at least 30 minutes prior to the performance. Vouchers enable the patron to select best available seating and participate in the entire process of attending performances.
- Vouchers do not hold seats so it is possible for a show to sell out before vouchers are redeemed.
- Vouchers are not available for every Spotlight performance. The Playhouse reserves the right to determine which shows complimentary vouchers can be made available for.
- If a voucher is redeemed for a ticket and the patron is unable to attend, please, have them call the box office at 458-8344 as soon as possible.

Please use the application form (on reverse) to submit your request or find the form online at www.theplayhouse.ca/artsareforeveryone.pdf

ACCESSIBILITY

The Playhouse has six wheelchair seats, twelve transfer seats and an infra red listening assistive device to assist patrons with disabilities. It is our policy that personal attendants are provided complimentary tickets.

WHO DO I CONTACT?

For more information on The Arts are for Everyone, contact the Director of Programs at (506)459-6209 or email valerie@theplayhouse.ca.

GOVERNANCE

Fredericton Playhouse Inc. is a registered charity governed by a volunteer board of directors. We are not owned by the City and we are a separate entity from Theatre New Brunswick.
