ADDITIONAL PARTNERSHIP OPPORTUNITIES

PLAYHOUSE HONOURS

Each year, the Board of Directors of the Fredericton Playhouse recognizes an individual's involvement in the performing arts in Fredericton. This award fosters a deeper appreciation of the value that people bring to community life through their work in music, theatre, dance, spoken word, and multidisciplinary performing arts.

ARTS ARE FOR EVERYONE

We believe the arts are an integral part of our lives, and that everyone has the right to access and experience the magical world of the performing arts. It is essential that we continue to expand our programs so that everyone in our community will think of the Playhouse as a place where they are welcome. Through this program, we provide complimentary tickets to those in our community facing barriers to participation.

SCHOOL FIELD TRIPS

The Fredericton Playhouse offers a series of school matinée field trips each season designed to expose students to the magic of live, professional performing arts. This program offers performances for students in grades K-12 in theatre, music and dance.

EXPERIENCE MORE!

Our Experience More! program is a series of innovative workshops and activities that take place in conjunction with the Fredericton Playhouse Spotlight Series.
